

Dear Parent/Carers,

Finally and thankfully the time we have all been waiting for is nearly here. Just two more days to cross off your calendars!!! Like many of you, we are really pleased to be welcoming the children back on Monday 8th March. Hopefully the children are as excited as we are for them to be coming back to school and being with all their friends.

Firstly, we would like to say a BIG thank you to all of our families. The commitment, resilience and continued support you have given to your children on completing their On-line seesaw activities in such difficult times has been greatly appreciated. All of the staff have really enjoyed seeing the children's enthusiasm in their work as well as meeting them in their zoom lessons.

We welcome you all back on Monday and as part of our curriculum work, we will be having a whole school topic based on Charlie Mackesy's book 'The boy, the mole, the fox and the horse'. It's a very thought provoking book, which will generate dialogue and discussion around the journey we have all been on over the last 12 months.

Lastly to the children, make sure get a good night's sleep on Sunday. We are all raring to go so you will need to come with lots of energy!!

Have a great weekend and see you all next week.
